

Journey Church

Nursery Ministry

Thank you for serving in the Nursery Ministry. We have listed some guidelines for this ministry.

- If you are serving in the Nursery Ministry, you should arrive by 10:00am on your assigned Sunday.
- If you are unable to serve as scheduled, you should attempt to find someone to serve in your place. You should also let your Team Leader know if this occurs (Team Leader contact information is on the ministry schedule).
- Everyone working in this ministry area must undergo a background check. This is a background check through the Alabama Baptist convention specifically for those desiring to work with children. (No information is received about your finances, driving record, employment, or other areas of your life.)

The nursery servant should be aware that:

- You may have to comfort a little one and encourage him/her to come to you / leaving their parent.
- Parents will often give you directions on feeding or other necessary care items.
- Changing a diaper may be necessary, especially toward the end of the service before leaving.
- The workers must maintain custody of the children at all times. The children should not be allowed to come and go nor should they, under any circumstances, be allowed to leave the building.
